

# Morrissey - I Wish You Lonely

Tom: **A**  
Intro: **Gbm E**

**Gbm E Gbm E**  
I wish you lonely if only for one day

**Dbm D E**  
So that you might see routine for me

**Dbm D E**  
Since the day I was born, born

**Gbm E Gbm E**  
Think of yourself only of everything you demand

**Dbm D E**  
Oh! You want and you need and to hell

**Dbm D E**  
To hell with everybody else, everybody else

**Gbm E Gbm E**  
Turn the key slowly remember how I can't sleep

**Dbm D Dbm**  
Or if ever I do, an earthquake an earthquake

**D E (Gbm E) (Dbm D) E**  
Oh! Couldn't agitate, couldn't agitate

**Gbm E Gbm E**  
Tombs are full of fools who gave their life upon command

**Dbm D**  
Of monarchy, oligarch, head of state, potentate

**Dbm D E**  
And now never coming back, never coming back

**Gbm E Gbm E**  
Tombs are full of fools who gave their life upon command

**Dbm D Dbm**  
Of Romance gone wrong he same old glue

**D E**  
and never coming true, never coming true

**Gbm E Gbm E**  
Tombs are full of fools who gave their life upon command

**Dbm D Dbm**  
Oh heroin, heroin, heroin, heroin

**D E**  
And never coming back, never coming back

**Gbm E Gbm E**  
I wish you lonely like the last tracked humpback whale

**Dbm D Dbm**  
Chased by gunships from Bergen

**D E Gbm**  
But never giving in, never giving in
