

# Morrissey - I'd Love To

Tom: **C**

Intro: 2x: **F C**

Verse:

**C**

Again

**Em**

I lay awake

And I cried because of waste

I'd love to

But only with you

Only with you

Oh, time is gonna wipe us out

Verse:

There, I've said it loud and clear

So that you will hear

There's no one in view

Just you

Just you

And time will never wipe you out

Bridge:

( **F Gm F Edim** )

( **F C F G** )

Verse:

Now I've had enough

I've had more than could be

My rightful share

Of nights I can't bear

How can it be fair?

Time must wipe them out

Verse:

So again, I lay awake

In a trance

Oh, I just want my chance

But only with you

Only with you

That's all

That's all

Aah
