

Mother Mother - Calm Me Down

tom:

G

Em G

Calm me down, calm me down, I'm inside out and upside down
D7
Hold my head in your hands, to calm me down, get it out
Em G
Get it out, oh, oh, get it out, use your teeth and your mouth
D7 Em
Cut in me to pull it out, oh no, I'm aroused now, I'm aroused

G Gb F

You better calm me down, oh, calm me down
Em
Use your teeth and your mouth

E B C G

Use your body, use it to put me to sleep
Am F Em
Your body, ooh, soothe my soul, so beautiful

Em G

All my life, oh, oh, all my life, I hurt myself and cut myself
D7 Em
Put myself through living hell, all so I could feel what I felt

G Gb F

When you took me in absolve my sins
Em
With your flesh and skin, use your skin

E B C G

Use your body, use it to put me to sleep

Am F Em

Your body, ooh, soothe my soul, so beautiful

G Em Am G Em Am

Calm me down, Baby, your teeth, your mouth, and me
G Em Am
Happily, married, baby, calm me right down

Use your body, use it to put me to sleep, your body, ooh

E B C G

Use your body, use it to put me to sleep
Am
Your body, ooh
