

# Mother Mother - Wrecking Ball

tom:

**G**

[Primeira Parte]

**G**  
I made a wreck out of my hand

**D**  
I put it through the wall

**D**  
I made a fist and not a plan

Call me a reckless wrecking ball

**G**  
I throw my plates against the wall

And give it all I got

**D**  
I aim to break not one, but all

I'm just a big old wrecking ball

[Refrão]

**Em** **C**  
I am unruly in the stands

**G**  
I am a rock on top of the sand

**A**  
I am a fist amidst the hands

**G** **D**  
And I break it just because I can

[Segunda Parte]

**G**  
It takes a dedicated hand

To put it through the wall

**D**  
You got to want to break the hearts

Of all those pretty porcelain dolls

**G**  
You got to want to be the drummer in the band

You got to want to be a battering ram

**D**  
You got to see the artistry

In tearing the place apart with me, baby

[Refrão]

**Em** **C**  
I am unruly in the stands

**G**  
I am a rock on top of the sand

**A**  
I am a fist amidst the hands

**D**  
And I break it just because I can

[Ponte]

**Gb**  
Let's break it

**A** **D**  
Just because we can

**Gb**  
Deface it

**A** **D**  
Just because we can

**Gb** **Am** **Em** **C**  
Let's break it just because, just because

**Em** **A** **D** **G**  
Just because, just beca-a-ause

[Refrão]

**Em** **C**  
I am unruly in the stands

**G**  
I am a rock on top of the sand

**Em**  
I am a fist amidst the hands

**C**  
And I make a wreck out of my hand

**G**  
I make a fist and not a plan

**Em**  
And I break it just because I can

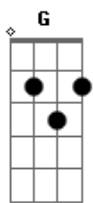

**C** **G**  
Because I can, because I can

**Em** **C**  
Because I can, because I can

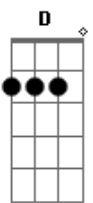

**G** **Em**  
Because I can, because I can

**A** **D** **G** **D** **G** **D**  
Because I ca\_aa\_aan
