

# Mothica - Mark My Words

Tom: G

m

Hurt, Hurt, Hu- urt  
 He's got my heart in his mouth  
 I think I've figured it out  
 He's got me talking about  
 The things I'll say to you now  
 I'm a fool for the taking  
 Or I'm misbehaving  
 This conversation  
 Means nothing to me  
 If you're on the other side  
 I'm going home tonight  
 There's no replacing  
 This hold on me, oh  
 So.. Mark my words, mark my  
 Mark my words, mark my  
 I'm not getting hurt  
 I've learned it from the worst  
 Mark my words  
 Hurt, Hurt, Hu- urt

So now you want me to stay

I see the lie on your face  
 But you always run away

I'll call your bluff any day

I know now I won't bow down  
 If you knew how I'm falling out  
 I know now I won't bow down  
 Never again, you know this is the end

I'm a fool for the taking  
 Or I'm misbehaving  
 This conversation  
 Means nothing to me  
 If you're on the other side  
 I'm going home tonight  
 There's no replacing  
 This hold on me, oh

So.. Mark my words, mark my  
 Mark my words, mark my  
 I'm not getting hurt  
 I've learned it from the worst  
 Mark my words  
 Hurt, Hurt, Hu- urt

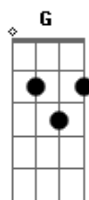

Hurt, Hurt, Hu- urt
