G A F
Now your time has come a storm of iron in the sky
E
G A F
War and murder come again, lucky if you die
E
G A F
No way to rescue destiny, scream and curse in vain
E
G A F
You will never be remembered, no one knows your name

A B C G F
G Em
When the music changes then all is broken down
A B C G F
G Em
Mighty cities laid to ruin, burning to the ground
A B C G F
G Em
Murder is become the law; you cannot make a stand
A B C G F G
Em A
Chaos rules the world now mortal, brotherhood of man

(E G A F)
(E G A F)

E
G A F
You cannot hide the truth from me I know what's in your heart
E
G A F
Greed and jealousy each equal, all your days now dark
E
G A F
Mighty mountains fall in dust the world falls into hell
E
G A F
Faith in lying prophets, no one to lift the spell

A B C G F
G Em
Monsters rule your world, are you too scared to understand?

A B C G F
G Em
You shall be forever judged and you shall surely hang
A B C G F
G Em
We live and scrape in misery; we die by our own hand
A B C G F G
Em A
And still we murder our own children, brotherhood of man

(G A B C)
(G A B C) (2x)
(G A B C)
(G A B C)

A B C G F
G Em
Blood on all our hands, we cannot hope to wash them clean
A B C G F
G Em
History is mystery, do you know what it means?
A B C G F
F G Em
Slaughter, kill and fighting still and murdered where we stand
A B C G F
F G Em
Our legacy is lunacy, brotherhood of man
A B C G F
G Em
We are worse than animals, we hunger for the kill
A B C G F
G Em
We put our faith in maniacs, the triumph of the will
A B C G F
G Em
We kill for money, wealth and lust, for this we should be damned
A B C G F G
Em A
We are disease upon the world, brotherhood of man
