

# Motörhead - Dont Let Daddy Kiss Me

tom:

Intro: Little girl sleeping in dreams in peace  
Mommy's been gone a long time  
Daddy comes home when she still sleeps  
Waiting for the world's worst crime  
And he comes up the stairs like he aways does  
And he never turns on the lights  
And she's wide awake, scared to death  
She smells his lust and she smells his sweat  
Curled in a ball she holds her breath  
Praying to a god that she's never met

Don't let daddy kiss me  
Don't let daddy kiss me  
Goodnight

Little girl lies by her daddy's side  
And she listens to him breathe  
She knows there's something awful wrong  
That she's far too young to see  
And she knows she can't tell anyone  
She's so full of guilt and shame  
And if she tells she'll be all alone  
They'd steal her daddy and they'd steal her home

And it's not so bad when daddy leaves her alone  
Praying to her god with his heart of stone

Don't let daddy kiss me  
Don't let daddy kiss me  
Goodnight

Why, tell me why  
The worst crime in the world

[Solo]

And daddy lies by his daughter's side  
And he sleeps both deep and well  
No nightmares come to him tonight  
Though his daughter lives in hell  
For his seed is sown where it should not be  
And the beasts in his mind don't care  
And the only sound are the tears that fall  
Little girl turns her face to the wall  
She knows that no one hears her call  
But it seems like God hears nothing at all

Don't let daddy kiss me  
Don't let daddy kiss me  
Don't let daddy kiss me  
Goodnight
