

# Motörhead - Dont Let Daddy Kiss Me

tom:

Intro: Little girl sleeping in dreams in peace  
 Mommy's been gone a long time  
 Daddy comes home when she still sleeps  
 Waiting for the world's worst crime  
 And he comes up the stairs like he aways does  
 And he never turns on the lights  
 And she's wide awake, scared to death  
 She smells his lust and she smells his sweat  
 Curled in a ball she holds her breath  
 Praying to a god that she's never met

Don't let daddy kiss me  
 Don't let daddy kiss me  
 Goodnight

Little girl lies by her daddy's side  
 And she listens to him breathe  
 She knows there's something awful wrong  
 That she's far too young to see  
 And she knows she can't tell anyone  
 She's so full of guilt and shame  
 And if she tells she'll be all alone  
 They'd steal her daddy and they'd steal her home

And it's not so bad when daddy leaves her alone  
 Praying to her god with his heart of stone

Don't let daddy kiss me  
 Don't let daddy kiss me  
 Goodnight

Why, tell me why  
 The worst crime in the world

[Solo]

And daddy lies by his daughter's side  
 And he sleeps both deep and well  
 No nightmares come to him tonight  
 Though his daughter lives in hell  
 For his seed is sown where it should not be  
 And the beasts in his mind don't care  
 And the only sound are the tears that fall  
 Little girl turns her face to the wall  
 She knows that no one hears her call  
 But it seems like God hears nothing at all

Don't let daddy kiss me  
 Don't let daddy kiss me  
 Don't let daddy kiss me  
 Goodnight
