

# Motörhead - Dont Let Daddy Kiss Me

tom:

Intro: Little girl sleeping in dreams in peace  
Mommy's been gone a long time

Daddy comes home when she still sleeps

Waiting for the world's worst crime

And he comes up the stairs like he always does

And he never turns on the lights

And she's wide awake, scared to death

She smells his lust and she smells his sweat

Curl'd in a ball she holds her breath

Praying to a god that she's never met

Don't let daddy kiss me

Don't let daddy kiss me

Goodnight

Little girl lies by her daddy's side

And she listens to him breathe

She knows there's something awful wrong

That she's far too young to see

And she knows she can't tell anyone

She's so full of guilt and shame

And if she tells she'll be all alone

They'd steal her daddy and they'd steal her home

And it's not so bad when daddy leaves her alone

Praying to her god with his heart of stone

Don't let daddy kiss me

Don't let daddy kiss me

Goodnight

Why, tell me why

The worst crime in the world

[Solo]

And daddy lies by his daughter's side

And he sleeps both deep and well

No nightmares come to him tonight

Though his daughter lives in hell

For his seed is sown where it should not be

And the beasts in his mind don't care

And the only sound are the tears that fall

Little girl turns her face to the wall

She knows that no one hears her call

But it seems like God hears nothing at all

Don't let daddy kiss me

Don't let daddy kiss me

Don't let daddy kiss me

Goodnight
