

Motörhead - God Was Never On Your Side

Tom: G

Afinação: Eb Ab Db Gb Bb

Eb **Em** **D**
When the stars fall down on me,
Am **Em**
And the sun refuse to shine,
Em **D**
Then may the shackles be undone,
Am **Em**
And all the old words, cease to rhyme,
Em **D**
If the skies, turn into stone,
Am **Em**
It will matter not at all,
Em **D**
For there is no heaven, in the sky,
Am
Hell does not wait for our downfall,

Refrão:

C **G**
Let the voice of reason shine,
Am **Em**
Let the pious vanish for all times,
C **G**
God's face is, hidden, all unseen,
Am **Em**
You can't ask him what it all means
C **G**
He was never on your side,
Am **Em**
God was never on your side,
C **G**
Let right or wrong, alone decide,
Am **Em**
God was never on your side.

Em **D**
See ten thousand ministries,
Am **Em**
See the holy, righteous dogs,

Em **D**
They claim to heal, but all they do is steal,
Am **Em**
Abuse your faith, cheat and rob
Em **D**
If God is wise, why is he still,
Am **Em**
When these false prophets, call him friend,
Em **D**
Why is he silent, is he blind?!
Am
Are we abandoned, in the end?
C **G**
Let the sword of reason shine,
Am **Em**
Let us be free of prayer and shrine,
C **G**
God's face is hidden, turned way,
Am **Em**
He never has a word to say,
C **G**
He was never on your side,
Am **Em**
God was never on your side,
C **G**
Let right or wrong, alone decide
Am **Em**
God was never on your side! No, no, no!

Solo: **C** **G** **Am** **Em**

C **G**
He was never on your side,
Am **Em**
God was never on your side,
C **G**
Never! Never! Never! Never!
Am **Em**
Never on your side!
C **G**
God was never on your side,
Am **Em**
Never on your side...
