A C  
All life is a mystery  
A C  
All things come to he who waits  
A C  
All things just a twist of fate  
G D A  
It's just a state of mind  
A C  
All your time is not your own  
A C  
It's real hard to find out why  
A C  
It's real hard to say goodbye  
G D A  
To move on down the line

Em C  
Both your eyes wide open, you see the shape I'm in  
D Em  
It wasn't on my choosing, it's only bones and skin  
C  
And I will plead no contest, if loving you is a crime  
D A  
So go on and find me guilty, just one more fucking time

( A C A C )  
( A C G D A )  
( G D A )

A C  
All your life is in your head  
A C  
All your dreams are in your sleep  
A C  
And if your dreams are hid too deep  
G D A  
They're just a waste of time  
A C  
When you try to chase the dream  
A C  
You never seem to know the time  
A C  
You never recognise the signs  
G D A  
And nothing's what it seems

Em C  
Both your eyes wide open, you see the shape I'm in  
D Em

It wasn't on my choosing, it's only bones and skin  
C  
And I will plead no contest, if loving you is a crime  
D A  
So go on and find me guilty, just one more fucking time

C G  
And if I would be a bad man, you would have seen the good in  
me  
D A  
You would have seen the other, the good man I could be  
C G  
But since I am a good man, the same was all the same  
D A  
Nothing I could do, nothing I could do

( A C A C )

A C  
All life is a mystery

All things pass you by in time  
A C  
All things just a perfect crime  
G D A  
It's just the way we are  
A C  
All your instincts let you down  
A C  
It's not a case of love in vain  
A C  
It's not a case of love insane  
G D A  
It's enough to break your heart

Em C  
Both your eyes wide open, you see the shape I'm in  
D Em  
It wasn't my idea that I'd be the one to sin  
C  
And so all those years together weren't worth a fucking dime  
D Em  
So go on and find me guilty, just one more fucking time  
Em C  
All our years together weren't worth a fucking dime
