

# Mov7 - Oh Amor

tom:

Intro: E Gb G D E D C A B A

Oh amor a sua dor

Já não tem nenhum valor

Pra quem te via

Pra quem te ouvia

Nós somos a plateia silenciada pelo medo

Nós somos o grito não ouvido

Oh amor, o sol está raiando lá fora

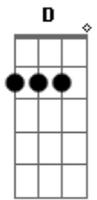

Eu não quero essa alegria que dura uma festa

A Verdade nunca vai te libertar

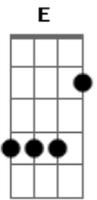

Enquanto você viver mentiras

Mentiras
