Movements - Daylily

```
                              tom:
                 D

             Afinação: D A D G B E
Intro: G7M   D

[Primeira Parte]

G7M                                D
Outside for the first time in a long time

Lose yourself, sink into to the sunlight
G7M
It's been a while since you felt right
              D                                                    G7M
But the warm nights are coming soon and you'll be just fine
                    Bm7  D  G7M
You'll be just fine
                    Bm7  D  G7M
You'll be just fine

G7M                                D
Outside for the first time in a long time
                                            G7M
You said you can't remember what it's like to

Feel more than cold on the inside
         D                                                      G7M
But the sunrise will come again and you'll be just fine
                    Bm7 D G7M
You'll be just fine

[Refrão]

                              G7M          D     Em
I think it's time you had a pink cloud summer 'cause you've
gone
                     D
Too long without a smile
                            G7M     D                     Em    D
I think it's time you had another reason to stay for a while
D                     G7M
You should stay for a while
G7M   D

[Segunda Parte]

G7M
I sit and watch, now with new eyes
         D
For the green side
D
Lose myself

Sink into your sunlight
G7M
Breath in the breeze like a sweet sigh
        D
Keep me tongue tied
                                                  G7M
If this lasts forever I'll be just fine

Oh I'll be just fine

Bm7          D           G7M
You are the rustling of leaves
Bm7           D           G7M
You are that honeysuckle breeze
Bm7          D       G7M
You are the sunlight
G7M
Shine onto me
G7M
Shine onto me
G7M
Shine onto me
[Refrão]

                                  G7M            D    Em
I think it's time you had a pink cloud summer 'cause you've
gone
                     D
Too long without a smile
                              G7M   D                      Em    D
I think it's time you had another reason to stay for a while
                                   G7M                    D
And I think it's time you gave yourself a little color
                         Em                    D
I don't know much but I hear that red's in style
                              G7M     D
I think it's time you had another
D                     Em   D
Reason to stay for while

D                               G7M
I think it's time you had a pink cloud summer

'Cause you've gone too long without a smile
                              G7M                            D
I think it's time you found another reason to stay for a while

[Final] Bm7  D
