Here's looking at me  
 Here's looking at you woh-oh  
 Here's to everything  
 That we've been through woh-oh

East is the West is  
 The place we meet alone  
 I am and You are  
 The everlasting road

Now the time has come  
 And I want you to know

Here's looking at me  
 Here's looking at you woh-oh  
 Here's to everything  
 That we've been through woh-oh

The years they move so fast goodbye  
 Today is in the past  
 We run through the pages  
 They never seem to last Oh-ho,  
 Em Am

Now the time has come  
 And I want you to know Hoh-oh  
 Here's looking at you oh- oh- ooh- oh
