

Mr Probz - Do It All Again

tom:

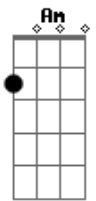

Am
'85, something wrong
Dm C
Mommy crying, daddy's gone
Dm C
It wasn't me, nose bleeds
Am Bb Dm
Empty fridge, no groceries
C Dm
Teardrops running down my face
C Dm
It's just one of those days
C
If you and me would meet someday
Am Bb Dm
I think the first thing you would say is something like
C Dm
I've made some mistakes in the past
C Dm C
But something that is cannot change
Am Bb Dm
I've tried to do the best that I can to wish it all away but
C Dm
I would do it all again
C Dm
I would do it all again, yeah
C Am
I would do it all again
Bb

And again, and again

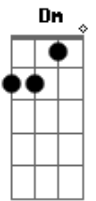

Dm C Dm C Dm
'99, flashing lights, don't move hands up to the sky
C Am
What should I do, Just run away
Am F Bb Dm
The pistol is on me, but it's not mine I say
C D Dm
It's like it's all falling out of place
C Dm
But I see it much cleaver now
C Am
I see it much cleaver now
Bb Dm
So much clearer now

Chorus
C Dm
I've made some mistakes in the past
C Dm
But something that is cannot change
C Am Bb
I've tried to do the best that I can, to wish it all away but
C Dm
I would do it all again
C Dm
I would do it all again, yeah
C Am
I would do it all again
Bb
And again, and again
