

# Mumford & Sons - After The Storm

Tom: G

Intro: G

And after the storm,  
I run and run as the rains come

And I look up, And I look up,  
on my knees and out of luck,  
I look up.

Night has always pushed up day  
You must know life to see decay

But I won't rot, I won't rot  
Not this mind and not this heart,  
I won't rot.

And I took you by the hand  
And we stood tall,

And remembered our own land,

What we lived for.

Chorus

And there will come a time, you'll see, with no more tears.  
And love will not break your heart, but dis-miss your fears.  
Get over your hill and see what you find there,  
With grace in your heart and flow...wers in your hair.

And now I cling to what I knew  
I saw exactly what was true

But oh no more, That's why I hold,  
That's why I hold with all I have.  
That's why I hold.

And I will die alone  
and be left there.  
Well I guess I'll just go home,  
Oh God knows where.  
Because death is just so full  
and mine so small.  
I'm scared of what's behind  
and what's before.

Chorus

And there will come a time, you'll see, with no more tears.  
And love will not break your heart, but dis-miss your fears.  
Get over your hill and see what you find there,  
With grace in your heart and flow...wers in your hair.

G Chorus

And there will come a time, you'll see, with no more tears.  
And love will not break your heart, but dis-miss your fears.  
Get over your hill and see what you find there,  
With grace in your heart and flow...wers in your hair.
