

Mumford & Sons - Believe

Tom: **D**

You may call it this evening **Bm**
 But you've only lost the night **A**
 Present all your pretty feelings **Bm**
 May they comfort you tonight **A**
 And I'm climbing over something **Bm**
 And I'm running through these walls **A**

 I don't even know if I believe **G**
 I don't even know if I believe **Bm**
 I don't even know if I believe **D**
 I don't even know if I believe **A**
 Everything you're trying to say to me
 (**Bm A**) 2x

 I had the strangest feeling **Bm**
 Your world's not what it seems **A**
 So tired of misconceiving **Bm**
 What else this could've been **A**

 I don't even know if I believe **G**
 I don't even know if I believe **D**
 I don't even know if I believe **Bm**
 I don't even know if I believe **A**
 Everything you're trying to say to me
G

So open up my eyes **D**
 Tell me I'm alive **Bm**
 This is never gonna go our way **A**
 If I'm gonna have to guess what's on your mind
 (**G Bm D B**)

 Say something, say something **G**
 Something like you love me **Bm**
 Less you want to move away **D**
 From the noise of this place **B**

 I don't even know if I believe **G**
 I don't even know if I believe **D**
 I don't even know if I believe **Bm**
 I don't even know if I wanna believe **A**
 Everything you're trying to say to me

 So open up my eyes **G**
 Tell me I'm alive **D**
 This is never gonna go our way **Bm**
 If I'm gonna have to guess what's on your mind **A**

 So open up my eyes **G**
 Tell me I'm alive **D**
 This is never gonna go our way **Bm**
 If I'm gonna have to guess what's on your mind **A**
