

Mumford & Sons - Ditmas

Tom: C

And in time^{Am}

As one reminds the other of the past^{F C}

A life lived much too fast to hold onto^{F C G Am}

How am I losing you?^{Am}

A broken house

Another dry month waiting for the rain^{F C}

And I had been resisting this decay^{F C G Am}

I thought you'd do the same

But this is all I ever was^{F C}

And this is all you came across those years ago^{F C G C}

Now you go too far^{F C}

Don't tell me that I've changed because that's not the truth^{F C G C}

And now I'm losing you

Fragile sound^{Am}

The world outside just watches as we crawl^{F C}

Crawl towards a life of fragile lines^{F C G Am}

And wasted time

And so I cry^{Am}

As I hold you for the last time in this life^{F C}

This life I tried so hard to give to you^{F C G Am}

What would you have me do?^{F C}

But this is all I ever was^{F C}

And this is all you came across those years ago^{F C G C}

Now you go too far^{F C}

Don't tell me that I've changed because that's not the truth^{F C G C}

And now I'm losing you

Where I used to end was where you start^{Am F C}

You were the only one^{Am F C}

And now I see your eyes move too fast^{Am F C}

You were the only one

Careful hands^{Am}

And wandering without that much to say^{F C}

Your words are empty as the bed we made^{F C G Am}

Is there another way?^{F C}

Oh love, is there another way?^{Am F C}

But this is all I ever was^{F C}

And this is all you came across those years ago^{F C G C}

Now you go too far^{F C}

Don't tell me that I've changed because that's not the truth^{F C G C}

And now I'm losing you^{F C G}

And now I'm losing you
