

Mumford & Sons - Forever

Tom: D

(forma dos acordes no tom de C)

Capostrate na 2ª casa

Intro: C G Am F C

I know I've had you troubled
 And I know I've seared your mind
 But you know that I love you
 And that our love's not blind
 I'm sure my dreams lie with you
 But I've many more beside
 And if I can't see them through
 My love will slowly die

But if you doubt for the time that you're spending
 And if you doubt for the love in your heart
 Think of London and the girl you're turning
 And the days you defend will slowly go

So love with your eyes
 Love with your mind
 Love with your whole
 Dare I say forever
 Do it for yourself
 Do it for the girl
 Do it for you
 Dare I say forever

And I've known pious women
 Who have led such secret lives
 Shameless in the dark
 So shameful in the light

But you may not be pious
 And I may not be safe
 But we could live quite happily
 And quietly unfazed

So if you doubt for the time that you're spending

And if you doubt for the love in your heart
 Think of London and the girl you're turning
 And the days you defend will slowly go

So love with your eyes
 Love with your mind
 Love with your whole
 Dare I say forever
 Do it for yourself
 Do it for the girl
 Do it for you
 Dare I say forever

(C G Am F)
 (C G Am F C)

I was dreaming of the Liffey
 And I was thinking of the Thames
 But now the East River
 Flows by to the same ends

And as they all will pass us
 They never stopped or cared
 Are we too sentimental
 To not look back and stare?

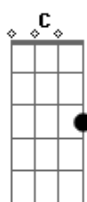

But if you doubt for the time that you're spending
 And if you doubt for the love in your heart
 Think of London and the girl you're turning
 And the days you defend will slowly go

So love with your eyes
 Love with your mind
 Love with your whole
 Dare I say forever
 Do it for yourself
 Do it for the girl
 Do it for you
 Dare I say forever
