

# Mumford & Sons - Hold On To What You Believe

Tom: C  
Intro: 4x: Am G C

Am  
I  
I can't promise you that I won't let you down  
And I  
I can't promise you that I will be the only one around  
When your hope falls down  
But we're young  
Open flowers in the windy fields of this war-torn world  
And love

F7M C  
This city breathes the plague of loving things more than their cre-at-ors

Pequeno Riff do Interlúdio:

Am  
I ran away  
I could not take the burden of both me and you  
It was too fast  
Casting love on me as if it were a spell I could not break  
When it was a promise I could not make

Am G C  
But what if I was wrong?  
Am G C  
O what if I was wrong?  
Am G C Am G C  
But hold on to what you believe in the light  
Am G C C2  
When the darkness has robbed you of all your sight (2x)

Pequeno riff do interlúdio:

Am  
And now this land  
Means less and less to me without you breathing through its trees

Am  
G At every turn

G F7M C  
The water runs away from me and the halo dis-appears  
And the hole when you're not near

Am G C  
So what if I was wrong?  
Am G C  
O what if I was wrong?  
Am G C Am G C  
But hold on to what you believe in the light  
Am G C C2  
When the darkness has robbed you of all your sight (4x)

One strum:

Am G C Am G C  
So hold on to what you believed in the light

## Acordes
