

Mumford & Sons - Hold On To What You Believe

Tom: C

Intro: 4x: Am G C

Am
I

I can't promise you that I won't let you down

Am
And I

I can't promise you that I will be the only one around

When your hope falls down

Am
But we're young

Open flowers in the windy fields of this war-torn world

Am
And love

This city breathes the plague of loving things more than their cre-at-ors

Pequeno Riff do Interlúdio:

Am
I ran away

I could not take the burden of both me and you

Am
It was too fast

Casting love on me as if it were a spell I could not break

When it was a promise I could not make

Am G C
But what if I was wrong?

Am G C
O what if I was wrong?

Am G C
But hold on to what you believe in the light

Am G C C2
When the darkness has robbed you of all your sight (2x)

Pequeno riff do interlúdio:

Am
And now this land

G F C
Means less and less to me without you breathing through its trees

Am
At every turn

G F C
The water runs away from me and the halo dis-appears

G F C
And the hole when you're not near

Am G C
So what if I was wrong?

Am G C
O what if I was wrong?

Am G C
But hold on to what you believe in the light

Am G C C2
When the darkness has robbed you of all your sight (4x)

One strum:

Am G C Am G C
So hold on to what you believed in the light

Acordes
