F C
 So I was lost
F C G Am
 Go count the cards before you go
F C
 to the Holland road
F C G Am you cut me down
 With your heart like a stone you spare no time in lashing out
F C
 And I knew your pain
F C G
 and the effect of my shame but you
F C Am G
 cut me down
F C Am G
 you cut me down
 (**C**)

F C
 And I will not tell
F C G Am
 the thoughts of hell that carry me home
F C
 from the holland road
F C G Am
 With my heart like a stone i put up no fight
F C
 to your callous mind
F C G
 And from your corner you rose to
F C Am G
 cut me down
F C Am G
 you cut me down
 (**C F C F C G Am**)

F C
 So I hid my love
F C
 and little did I know
G Am

that would not be the end
F C
 from the holland road
F C G Am
 Well i rose and i rose and i paid less time
F C
 to your callous mind
F C G
 and I wished you well as you
F C Am G
 cut me down
F C Am G
 you cut me down
F C
 But I still believe
F C
 though there's cracks, you'll see
F C G Am
 When I am on my knees I will still believe
F C
 And when I have hit the ground
F C
 neither lost nor found
F C G Am
 If you'll believe in me I will still believe

(**Am**)
