

Mumford & Sons - Reminder

Tom: A

(com acordes na forma de Capotraste na 2ª casa G)

Don't let me darken your door

It's not what I came here for

No it's not what I came here for

And I won't hear you cry when I'm gone

I won't know if I'm doing you wrong

I never know if I'm doing you wrong

Constant reminder of where I can find her

A light that might give up the way

Is all that I'm asking for

Without her I'm lost

Oh my love don't fade away

So watch the world tear us apart

A stoic mind and a bleeding heart

You never see my bleeding heart

and your lights always shining on

and I've been travelling oh so long

I've been travelling oh so long

Constant reminder of where I can find her

A light that might give up the way

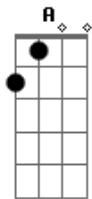

Is all that I'm asking for

Without her I'm lost

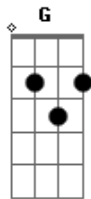

Oh my love don't fade away

Oh my love don't fade away
