[Primeira Parte]

When I look into your eyes, I feel further every time  
But I see the roots that take and put a shiver down my spine  
I came here askin' nothin', but I'm leavin' with a list  
I was born to believe, the truth is all there is

[Interlúdio]

A A7 D A

[Segunda Parte]

The pressure of the eyes could tie my tongue and leave me cut  
If the mirror shows me weakness, I get wild with catching up  
You won't find me runnin' off my mouth like my old friends  
I was born in California, and it nev'r ends

[Interlúdio]

A A7 D A

[Refrão]

If there's a fire in the almost places  
Leaves us nowhere else to go

If there's a fire in the almost places

[Interlúdio]

A A7 D A A7 D A

[Terceira Parte]

You cannot complain if you don't throw a dice yourself  
Sit outside the lines, blame everybody else  
I refuse to offer myself up to men who lie  
Spit and sell and smirk, out the corner of their eye

[Refrão]

If there's a fire in the almost places  
Leaves us nowhere else to go  
Don't leave the liars in the honest places

[Instrumental]

A A7 G F A A Am F

[Refrão]

Don't leave a fire in the almost places  
Leaves us nowhere else to go  
'Cause there's a fire in the almost places  
Leaves us nowhere else to go  
Don't leave the liars in the honest places
