

Mumford & Sons - Unfinished Business (White Lies)

Tom: C

Just me a second darling to clear my head,
 Just put down those scissors baby on the single bed,
 The sand in the hourglass is running low,
 I came through thunder the cold wind the rain and the snow,
 To find you awake by your window sill
 A sight for sore eyes and a view to kill

I broke down in horror at you standing there,
 The glow from the moon shone through cracks in your hair,
 I shouted with passion 'I love you so much',
 But feeling my skin it was cold to the touch,
 You whispered where are you? I questioned you doubt,
 But soon realised you were talking to God now,

Refrão:
 But you've got blood on your hands,
 And I know its mine I just need more time,
 So get off your low lets dance like we used too,

And there's a light in the distance,
 Waiting for me I will wait for you,
 So get off your low lets kiss like we used too

Verso 2:
 I looked in the mirror but something was wrong,
 I saw you behind but my reflection was gone,
 There was smoke in the fireplace as white as the snow,
 A voice bekoned gently, 'Now its time to go',
 A requiem played as you begged for forgiveness,
 Don't touch me I screamed I've got unfinished buisness

Refrão:
 But you've got blood on your hands,
 And I know its mine I just need more time,
 So get off your low lets dance like we used too,
 And there's a light in the distance,
 Waiting for me I will wait for you,
 So get off your low lets kiss like we used too (2x)
