

# Mumford & Sons - Wild Heart

Tom: **G**

Intro: **Gm**

[Verso 1]

**Bb** **Gm** **Bb**  
Mortal once again  
**Gm** **Eb**  
Making out, watch me pretend  
**Cm** **F** **Eb**  
And you whisper words forbidden  
**Cm** **F**  
To see if I've been listening  
**Gm** **Bb**  
Well now I'm listening

[Verso 2]

**Bb** **Gm** **Bb**  
We won't both get our way  
**Gm** **Eb**  
If we do, it won't be tonight anyway  
**Cm** **F** **Eb**  
So I hold you by the jaw  
**Cm** **F**  
And kiss you to be sure  
**Gm**  
With so much more than before

[Refrão]

**Eb** **Cm** **F** **Bb**  
It took a wild heart to tame mine  
**F** **Eb** **Cm**  
And it took a wild heart to charm  
**F** **Bb**  
Now a wildheart has gone and floored me  
**F** **Gm**  
With this ever lasting glance  
**Eb** **F** **Gm**  
With this ever lasting glance

**F** **Eb** **Gm**  
I wouldn't have you any other way  
**F** **Eb** **Gm** **Bb**  
Who wants a love that makes sense anyway

[Verso 3]

**Bb** **Gm** **Bb**  
I guess I asked for the truth  
**Gm** **Eb**  
I guess I asked for it, brutal and untuned

**Cm** **F** **Eb**  
But tonight it sounds improvised  
**Cm** **F**  
Whatever has you so inspired  
**Gm** **Bb**  
While I know you're inspired

[Verso 4]

**Bb** **Gm** **Bb**  
And no one is better armed  
**Gm** **Eb**  
To tear me down with a slight of the tongue  
**Cm** **F** **Eb**  
And I could do the same  
**Cm** **F**  
And see how long you can keep face  
**Gm**  
Let's see you keeping face

[Refrão]

**Eb** **Cm** **F** **Bb**  
But It took a wild heart to tame mine  
**F** **Eb** **Cm**  
And it took a wild heart to charm  
**F** **Bb**  
Now a wildheart has gone and floored me  
**F** **Gm**  
With this ever lasting glance  
**Eb** **F** **Gm**  
With this ever lasting glance

**F** **Eb** **Gm**  
I wouldn't have you any other way  
**F** **Eb** **Gm**  
Who wants a love that makes sense anyway  
**F** **Eb** **Gm**  
I wouldn't have you any other way  
**F** **Eb** **Gm**  
I don't want a love that makes sense anyway

**Eb** **Cm** **F**  
But It took a wild heart to tame mine  
**Eb** **Cm**  
And it took a wild heart to charm  
**F** **Bb**  
Now a wildheart has gone and floored me  
**F** **Gm**  
With this ever lasting glance  
**Eb** **F** **Gm**  
With her ever lasting glance

## Acordes
