

Mundo Irmão - Maior Prova de Amor

Tom: D

Quando tudo parece perdido estar
 Já não encontro mais razão para viver
 Então lembro daquele que me amou
 E na cruz todo seu sangue derramou
 Foi humilhado, cuspiram em seu rosto
 Mas foi fiel até o fim

Se entregou como cordeiro
 E se imolou por amor a mim
 No calvário Senhor
 Quando tudo parecia ter fim
 Foi lá na cruz
 Que a maior prova de amor
 Se concretizou
