

Anne Murray - There's Always a Goodbye

tom:

Intro: G G C G G

Ever since that first night
When I gave my love to you
(D C D G)

Everything just seems so right
You are my sunlight, shining through
(D C D)
(D Eb Em)

And I've tried so, not to let it show
Yet it seems sad, because I know
No matter how hard I try
No matter how hard I try
It's always a goodbye

You smile softly as you leave
My bed and I tightly hold your hand
(G C G G)

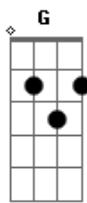

You lean down to kiss my head

But there's nothing to be said
(G C G)
(D Eb Em)

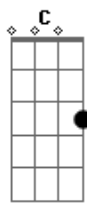

And if you say you want to stay
I'd know you'd soon be on your way
No matter how hard I try
No matter how hard I try
It's always a goodbye
(G C G C)

So here we stand, you and I
You are too kind, I'm too shy
To say what we really mean
So we make life a masquerade
Never showing all, only the parts we play
No matter how hard I try
No matter how hard I try
It's always a goodbye
It's always a goodbye
(No matter how hard I try)
(No matter how hard I try)
