

Muse - Can't Take My Eyes Off You

Tom: **D**

Intro: **D D7M**

You're just too good to be true I can't keep my eyes off you
You feel like heaven to touch, I wanna hold you so much
Now that love has arrived and I thank god I'm alive
You're just too good to be true, I can't take my eyes off you
Pardon the way that I stare, there's nothing else to compare
The sight of you makes me weak, there are no words left to speak

But if you feel like I feel, please let me know that it's real
You're just too good to be true, I can't take my eyes off you

Bridge: **Em A D B**

I love you, baby and if it's quite all right
I need you baby to warm the lonely nights
I love you baby, trust in me when I say
Oh pretty baby, don't bring me down I pray
Oh pretty baby, now that I found you stay
And let me love you baby, let me love you
