

# Muse - Can't Take My Eyes Off You

tom:

Intro: C Em

You're just too good to be true

I can't take my eyes off you

You'd be like heaven to touch

I wanna hold you so much

At long last love has arrived

And I thank God I'm alive

You're just too good to be true

Can't take my eyes off you

Pardon the way that I stare

There's nothing else to compare

The sight of you leaves me weak

There are no words left to speak

But if you feel like I feel

Please let me know that is real

You're just too good to be true

I can't take my eyes off you

[Ponte] Dm C Dm C A

I love you baby

And if it's quite all right

I need you baby

To warm the lonely nights

I love you baby

Trust in me when I say

Oh pretty baby

Don't bring me down I pray

Oh pretty baby

Now that I've found you stay

And let me love you, baby

Let me love you

You're just too good to be true

I can't take my eyes off you

You'd be like heaven to touch

I wanna hold you so much

At long last love has arrived

And I thank God I'm alive

You're just too good to be true

Can't take my eyes off You
