

Muse - Follow Me

```
Tom: Eb
Intro: Eb
                            Cm
    When darkness falls
      G
And surrounds you
When you fall down
When you're scared
And you're lost
    Ab
Be brave
I'm coming to hold you now
                                   Cm
And all the strength has gone
And you feel wrong
Like your life has slipped away
Follow me
You can follow me
      G
And I
I will not desert you now
When your fire has died out
And no ones there
```

```
They have left you for dead
