

Muse - Guiding Light

Tom: C

When pure Hearts and stumble
In my hands they crumble
And fragile and stripped to the core
I can't hurt you anymore

Loved by numbers
You loosing, life's wonder
And touch like strangers detached
I can feel you anymore

And sunshine, trapped in our hearts
It could rise again
But I'm lost and crushed

I'm cold and confused with no guiding light left inside

You were guiding, light, oooh oooh ooh woah

(guitar solo) (C Am F G G)

Ho, Ho, Ho, Haaaaaaaaa

And come from and won't come befoiled I still reach for you

But I'm lost and I'm crushed
I'm cold and confused but not guiding light left inside

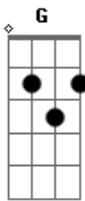

You're my guiding, light

You're my guiding, light

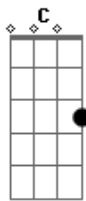

There is no guiding, light left inside

There's no guiding light in us
