Can you feel that I have needed.....

I'll do it on my own

She had something to confess to
But you don't have the time so look the other way
You will wait until its over
To reveal what you've never shown her
Too little much to late

Too long trying to resist it
You've just gone and missed it
It's escaped your world

Too long trying to resist it
You've just gone and missed it
It's escaped your world

Can you feel that I have needed
