

Muse - Starlight

```
tom:
         (G Am Em C)(x2)
Far away, This ship is taking me far away
Far away for the memories
Of the people who care if I live or die

G Am Em C

Starlight, I will be chasing the starlight

G Am

Until the end of my life
I don't know if it's worth it anymore
G Am Em
Hold you in my arms
                         Am Em
                G
I just wanted to hold, You in my arms
My life, You electrify my life
                    G Am
Let's conspire to ignite
All the souls that would die just to feel alive
 I'll never let you go
                              C F
If you promise not to fade away, Never fade away
