

Muse - Thought Contagion

```
Tom:
Intro: Am F C E Am F C E
Strung out falling from the big time
Welcome to the infinite black skies
Brain cleansed fractured identity
Fragments and scattered debris
Oh oh oh oh oh
C E
Thought contagion
Oh oh oh oh oh
Thought contagion
Fall down learn when to count it out
            E
Prop me up before I black out
        F
Withdraw before you're out of time
A clean slate and buried war crimes
               Am C
You've been bitten by a true believer
    Dm Am
You've been bitten by someones who's hungrier than you
F Dm Am C
You've been bitten by a true believer
    Dm E
You've been bitten by someone's false beliefs
Oh oh oh oh oh
Thought contagion
Oh oh oh oh oh
```

```
Thought contagion
They'll never do what you want them to
Give it up and watch it break through
It's too late for a revolution
Brace for the final solution
Oh oh oh oh oh
Thought contagion
Oh oh oh oh oh
