

# Mutemath - Clipping

tom:  
Bb (forma dos acordes no tom de G )  
Capostrate na 3ª casa

Feeling all alone  
Carrying bottled skies around  
I've been drowning all along  
Wear it out in a faltered sea  
And I give up  
Common sense failed again  
Meddling in a foreign sea, foreign tree  
Oh, time spent out in the sun  
Daring me with another choice  
Another choice  
Any more, I don't know who to fight anymore  
I don't know what is right anymore, anymore  
Any more, I don't know how to feel anymore  
D

I don't know what is real anymore, anymore  
Any more, I don't know who to fight anymore  
I don't know what is right anymore, anymore  
Any more, I don't know how to feel anymore  
I don't know what is real anymore, anymore  
Any more, I don't know who to trust anymore  
I don't know what I want anymore, anymore  
Any more, I don't know who to blame anymore  
I don't know what to say anymore  
I don't know what I want anymore  
Hey, hey, I just don't know anymore  
Any more, I don't know who to fight anymore  
I don't know what is right anymore, anymore
