A
I walked into the room and then i saw your face
E
You looked me in the eye and i wanted to erase myself myself (erase E7 E Eb Bm7)

A
I didn't wanna fall but then i stepped right in
E
I looked down at the ground
E Eb Bm7 E7
And then i felt it right within, it was too late for me

A
You took a step forward and tilted your head
E
With a curious glance you stared
E Eb Bm7 E7
And i felt dead, oh my god, i think i'm dying

A
You said 'hey'
And i said 'hello'
E
What's your name?
E Eb Bm7
I'd really like to know
E7
About you, too bad i stopped at hello

A
I just stared
And you grinned
E
And looked right back
E Eb Bm7 E7
It felt like just one big whirlwind, one big emotional whirlwind

A
Over the next few days we got to talking
E E Eb Bm7
With every single word i started falling farther
E7
Farther and farther for you

A
You were so witty and so charming, swept me off my feet
E
You made me laugh, you made me blush
E Eb Bm7 E7
Oh no one could compete (no one could compete)

A
It seemed too good to be true
E E Eb Bm7
I wanted to be with you

We clicked like legos
E7
Or the clacking of tap shoes

A
You say 'hey'
I said 'hello'

E
How was your day?'
E Eb Bm7
You said 'better now' with a smile

Oh what a cliché
E7
But to be honest it made my day
A
I didn't wanna fall but then i stepped right in
E
I looked up at your face
E Eb Bm7 E7
And those eyes, they drew me in, it was too late for me

A
That's what we were
A simple cliché
E
It wasn't made to work
E Eb Bm7 E7
But i wouldn't have it any other way (any other way)

A
You were so witty and so charming, swept me off my feet
E
You made me laugh, you made me blush
E Eb Bm7 E7
Oh no one could compete (no one could compete)

A
It seemed too good to be true
E E Eb Bm7
I wanted to be with you

We clicked like legos
E7
Or the clacking of tap shoes

A
You say 'hey'
I said 'hello'
E
I gotta know, do you feel this way?'
E Eb Bm7 E7
You said 'yeah i do, but i was scared of what you might say'

A
That's all we were,
E
A silly cliché
E Eb Bm7
I still think you're cute
E7
But maybe it's better this way

A
Bah duh dum
E
Bah duh dum
E Eb Bm7 E7
Bah duh duh duh duh dum

A
That's okay
E
