F G
I'm happy for you
C
I'm smiling for you
C7
I'd do anything
F
For you for you
G
It's always for you
C
And never for me
C7
And I need it to stop
F
So let me tell you please
G
I'm always sad
C
And I'm always lonely

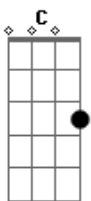

C7
But I can't tell you
F
That I'm breaking slowly
G
Closed doors
C
Locked in, no keys
C7
Keeping my feelings hidden
F
There is no ease
G
I need it to stop
C
And i want to be able
C7
To open up, but
F G
My feelings are fatal
C
(My feelings are fatal)

Dm G
How many times
C

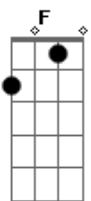

Must i keep it inside
C7
I need to let go
F
And i swear that i've tried
G
But opening up
C
Means trusting others
C7
And that's just too much
F
I don't want to bother
G
So i'll keep it inside
C
And bury it deep
C7
I know it's not healthy

F
But you won't hear a peep
G
Though i'm always sad
C
And I'm always lonely
C7
I can never tell you
Dm

G
Closed doors
C
Locked in, no keys
