

Mxmtoon - I Miss You

tom:

Gm

F Am Dm F

[Verse 1]

F Am
It was the last time you called

Dm F
That was the last time I cried

F Am
I should've known better but I

Dm F
Wouldn't even know if I tried

F Am
You and me we felt complete

D F
You and me we felt like the way things should be

F Am
But we weren't

Dm F
No, we weren't

[Chorus]

F
But I miss you

Am
No matter how much I try

Dm
To forget you

F
I just can't seem to say goodbye

F
'Cause I miss you

Am
No matter how much it hurts

Dm
I still want you

F
For better or for worse

[Post-Chorus]

F Am
For better or for worse

Dm F
For better or for worse

[Verse 2]

F Am
But I know you and me

Dm F
We weren't meant to be

F Am
I should go and move on but you're stuck on me

Dm F
Like sticky, sticky chewing gum

F
I promised myself

Am
That I wouldn't love again

Dm
But then you walked into my life

F
And now I can't pretend

[Chorus]

F
That I don't miss you

Am
No matter how much I try

Dm
To forget you

F
I just can't seem to say goodbye

F
'Cause I miss you

Am
No matter how much it hurts

Dm
I still want you

F
For better or for worse

[Post-Chorus]

F Am
For better or for worse

Dm F
For better or for worse

F Am
Ooh

Dm F
For better or for worse

F
For better or for worse
