tom:
Capostrate na 3ª casa
Intro: Am D7 G Em

[Primeira Parte]

Am D7
I'm nearing the end of my fourth year
G
I feel like I've been lacking
Em
Crying too many tears
Am D7
Everyone seemed to say it was so great
G
But did I miss out
Em
Was it a huge mistake?
Am D7
I can't help the fact I like to be alone
G Em
It might sound kinda sad, but that's
Am
Just what I seem to know
D7
I tend to handle things usually by myself
G Em
And I can't ever seem to try and ask for help

[Refrão]

Am D7
I'm sitting here, crying in my prom dress
G Em
I'd be the prom queen, if crying was a contest
Am D7
Makeup is running down, feelings are all around
G Em
How did I get here? I need to know
Am D7
I guess I maybe had a couple expectations
G Em
I thought I'd get to them, but no, I didn't
Am D7
I guess I thought that prom was gonna be fun
G
But now I'm sitting on the floor and all
Em Am
I wanna do is run

[Segunda Parte]

D7
I keep collections of masks upon my wall

G Em
To try and stop myself from revealing it all
Am D7
Affecting others is the last thing I would do
G Em
I keep to myself, though I want to break through
Am D7
I hold so many small regrets
G Em
And what-if's down inside my head
Am D7
Some confidence it couldn't hurt me
G Em
My demeanor is often misread
