

Mxmtoon - Quiet Motions

tom:

[Primeira Parte]

There's a warmth
In the coldness of the room
All the cars going by
Are like people on the move

[Pré-Refrão]

Hold your breath
Count to ten, it's okay to feel so small
Let it out, take it in
And do it all over again

[Refrão]

Isn't it nice to be all by yourself?
Walls don't say words
My secrets they won't tell
These quiet motions
My favorite moments
Take my advice
Isn't it nice?
Isn't it nice?

(A G D A Bm)

[Segunda Parte]

All the plans are laid out
And I'm gonna stick around
But the days, they will blur
Soon it's twenty years from now

[Pré-Refrão]

Hold your breath
Count to ten, you don't need
To carry it all
Let it go, take it in
And do it all over again

[Refrão]

Isn't it nice to be all by yourself?
Walls don't say words
My secrets they won't tell
These quiet motions
My favorite moments
Take my advice
Isn't it nice?
Isn't it nice?
