

My Brothers And I - Fly Away

Tom: G

There's something about your touch
That's changed the way I see
I can't believe I was so
Blind

To things right in front of me
If you're a bird, I'm a bird
N.C.
Let's fly away, together

Oohh

There's something about your presence
I can feel when you're close by (baby)
And when the lights blinding me
Its love I cannot deny (oh, no)
If you're a bird, I'm a bird
Let's fly away together
Mmmmmmm (Let's fly)
If you're a bird, I'm a bird
Let's fly away together
(D G)

Let's fly away
(baby let's) fly away
Fly away

If you're a bird, I'm a bird
Let's fly away together
