

# My Chemical Romance - Demolition Lovers

Tom: C

Am F Dm  
Hand in mine, into your icy blues  
F E G  
And then I'd say to you we could take to the highway  
Am Dm  
With this trunk of ammunition too  
F E G  
I'd end my days with you in a hail of bullets

F G  
I'm trying, I'm trying  
Ab Am G  
To let you know just how much you mean to me  
F G Ab Am G  
And after all the things we put each other through and

Am Dm  
I would drive onto the end with you  
F E G  
A liquor store or two keeps the gas tank full  
Am Dm  
And I feel like there's nothing left to do  
F E G  
But prove myself to you and we'll keep it running

F G  
But this time, I mean it  
Ab Am G  
I'll let you know just how much you mean to me  
F G  
As snow falls on desert sky  
Ab A G  
Until the end of everything  
F G  
I'm trying, I'm trying  
Ab Am G  
To let you know just how much you mean to me  
F G  
As days fade, and nights grow  
Ab Am G  
And we go cold

Am F G Ab  
Until the end, until this pool of blood  
Am F G Ab  
Until this, I mean this, I mean this  
Am F G Ab  
Until the end of...

F G  
I'm trying, I'm trying  
Ab Am G  
To let you know just how much you mean to me  
F G  
As days fade, and nights grow  
Ab Am G  
And we go cold

F G  
But this time, we'll show them  
Ab Am G  
We'll show them all how much we mean  
F G  
As snow falls on desert sky  
Ab Am G  
Until the end of every...

F G Am  
All we are, all we are  
F E  
Is bullets I mean this

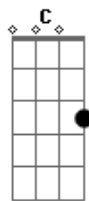

[x4]

F G Ab Am G [x2]

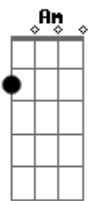

F G Ab  
As lead rains, will pass on through our phantoms  
Am G  
Forever, forever  
F G Ab  
Like scarecrows that fuel this flame we're burning  
Am G  
Forever, and ever  
F G Ab Am G  
Know how much I want to show you you're the only one  
F G Ab Am G  
Like a bed of roses there's a dozen reasons in this gun

F G Ab Am G  
And as we're falling down, and in this pool of blood  
F G Ab Am G  
And as we're touching hands, and as we're falling down  
F G Ab Am G  
And in this pool of blood, and as we're falling down  
F G Ab  
I'll see your eyes, and in this pool of blood  
Am G  
I'll meet your eyes, I mean this forever
