

My Chemical Romance - I Never Told You What I do For a Living

tom:
Intro: Bm Em G Gb

[Primeira Parte]

Stay out of the light
Or the photograph that I gave you
You can say a prayer if you need to
Or just get in line and I'll grieve you
Can I meet you alone
Another night and I'll see you
Another night and I'll be you
Some other way to continue
To hide my face

[Pré-Refrão]

Another knife in my hands
A stain that never comes off the sheets
Clean me off
I'm so dirty babe
The kind of dirty where the water never cleans off the clothes
I keep a book of the names and those

[Refrão]

Only go so far
Till you bury them
So deep and down we go

[Segunda Parte]

Touched by angels though
I fall out of grace
I did it all so maybe
I'd live this everyday

[Pré-Refrão]

Another knife in my hands
A stain that never comes off the sheets
Clean me off
I'm so dirty babe
It ain't the money and it sure as hell ain't just for the fame
It's for the bodies I claim and those

[Refrão]

Only go so far
Till you bury them
So deep and down we go

Down
And down we go
And down we go
And down we go
And we all fall down
I tried... I tried
And we'll all dance along
To the tune of your death
And we'll love again
We'll laugh again
And it's better off this way

[Ponte]

We'll never again
And never again
They gave us two shots to the back of the head
And we're all dead now
I tried
One more night, one more night
Well I'm laughing out, crying out, laughing out
I tried well I tried well I tried
Cuz I've tried but I lied, I lied

I tried
I tried
I tried
I tried
I tried

And we love again
We laugh again
We'll cry again
And we'll dance again
And it's better off this way
So much better off this way
I can't clean the blood off the sheets in my bed

[Final]

We'll never again and never again
They gave us two shots to the back of the head
And we're all dead now
