

My Chemical Romance - Our Lady Of Sorrows

Tom: Db

Tuning: Standard
Intro:

Verse 1:

Db C
We could be perfect one last night
A C Db
And die like star-crossed lovers when we fight
C
And we can settle this affair
A C
If you would shed your yellow take my hand
Db C A C
And then we'll solve the mystery of laceration gravity
Db C A C
This riddle of revenge please understand it has to be this way
Db Ab A Gb Db
Stand up fucking tall
Ab A Gb
Don't let them see your back
Db Ab A Gb Db
Take my fucking hand
Ab A Gb
and never be afraid again
Verse 2:
Db C A C
We've only got one chance to put this at an end

Db C A C
and cross the patron saint of switchblade fights
Db C A C
You said we're not celebrities, we spark and fade, they die by
threes
Db C A C
I'll make you understand and you can trade me for an
apparition
Db Ab A Gb Db
Stand up fucking tall
Ab A Gb
Don't let them see your back
Db Ab A Gb Db
Take my fucking hand
Ab
and never
Bridge, solo:
Trust, you said
Who put the words in your head
Oh how wrong we were to think
That immortality meant never dying
Stand
Take my fucking hand
Take my fucking...
Db Ab A Gb Db
Stand up fucking tall
Ab A Gb
Don't let them see your back
Db Ab A Gb Db
Take my fucking hand
Ab A Gb
and never be afraid again
Db Ab A Gb Db Ab A Gb Db
Just because my hands around your throat!
