 It ain't the mark or the scar that makes you one, and one, and one

**Bm** **Gb** **A** **Bm** **A**  
 Sister, I'm not much a poet, but a criminal And you never had a chance  
 You'll never make me leave I wear this on my sleeve

**Bm** **Gb** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Gb**  
 Love it, or leave it, you can't understand  
 Give me a reason to believe

**Bm** **A** **Bm** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Gb**  
 A pretty face, but you do so carry on, and on, and on  
 So give me all your poison And give me all your pills

**Bm** **A** **Bm** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Gb**  
 I wouldn't front the scene if you paid me  
 And give me all your hopeless hearts And make me ill

**G** **Gb** **D** **Bm** **A**  
 I'm just the way that the doctor made me, on, and on, and on, You're running after something That you'll never kill

**Bm** **A** **Bm** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Gb**  
 and on  
 If this is what you want Then fire at will

**Bm** **A** **Bm** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Bm** **G** **Gb** **A** X3  
 Love is the red the rose on your coffin door  
 What's life like, bleeding on the floor, the floor, the floor

**G** **Bm** **A** **D** **Bm** **A**  
 You'll never make me leave I wear this on my sleeve  
 You wanna follow something Give me a better cause to lead

**A** **G** **A** **D** **Bm** **A** **G**  
 Give me a reason to believe  
 Just give me what I need Give me a reason to believe

**D** **A** **Bm** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Bm** **A**  
 So give me all your poison And give me all your pills  
 And give me all your hopeless hearts And make me ill

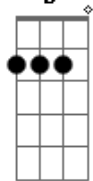

**D** **Bm** **A** **D** **Bm** **A** **G**  
 You're running after something That you'll never kill  
 If this is what you want Then fire at will

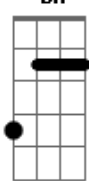

**Bm** **A** **Bm** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Gb** **G** **Bm** **A**  
 Preach all you want but who's gonna save me?  
 And give me all your hopeless hearts And make me ill

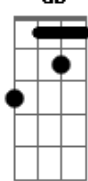

**Bm** **Gb** **G-F#-G** **Gb** **G** **Gb** **G** **Bm** **A**  
 I keep a gun on the book you gave me, hallelujah, lock and load  
 You're running after something That you'll never kill

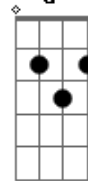

**Bm** **A** **Bm** **G** **Gb** **G** **Gb** **G** **Bm** **A**  
 Black is the kiss, the touch of the serpent son  
 If this is what you want Then fire at will
