

# My Chemical Romance - The Jetset Life Is Gonna Kill You

Tom: F

Gaze into her killing jar I'd sometimes stare for hours.  
 She even poked the holes so I can breathe.  
 She bought the last line.  
 I'm just the worst kind.  
 Of guy to argue you.  
 With what you might find.  
 And for the last night I lie.  
 Could I lie with you?  
 All right...Give up Get down.  
 It's just the hardest part of living.  
 Alright...She wants...Way down  
 It all to come down this time.  
 Lost in the prescription she's got something else in mind.  
 Check into the Hotel Bella Muerte.  
 It gives the weak flight.  
 It gives the blind sight.  
 Until the cops come.  
 Or by the last light.  
 And for the last night I lie.  
 Could I lie next to you?  
 All right...Give up Get down.  
 It's just the hardest part of living.  
 Alright...She wants...Way down

It all to come down this time.  
 All right...Give up Get down.  
 It's just the hardest part of living.  
 Alright...She wants...Way down  
 It all to come down this time.  
 Pull the plug.  
 But I'd like to learn your name.  
 And holding on.  
 Well I hope you do the same.  
 Awww sugar.  
 Slip into this tragedy you've spun this chamber dry.  
 All right...Give up Get down.  
 It's just the hardest part of living.  
 Alright...She wants...Way down  
 It all to come down this time.  
 All right...Give up Get down.  
 It's just the hardest part of living.  
 Alright...She wants...Way down  
 It all to come down this time.  
 Pull the plug.  
 But I'd like to learn your name.  
 And holding on.  
 Well I hope you do the same.  
 Awww sugar.
