

My Chemical Romance - The Light Behind Your Eyes

Tom: G

Intro: Em D G C D D

Verso: Em D G C D D

So long to all of my friends
Everyone of them met tragic ends
And every single day
I'd be lying if I didn't say

Ponte:

That I miss them all tonight

And if they only knew

What I would say

Refrão: Em D G C D D

If i could be with you tonight
I would sing you to sleep
Never let them take the light behind your eyes
One day, I'll lose this fight
As we fade in the dark
Just remember you will always burn as bright Em D G C D D (2x)

Verso: Em D G C D D

Be strong, and hold my hand
Time becomes for us, you'll understand.
We'll say goodbye today
And we're sorry how it all ends this way

Ponte:

If you promise not to cry

Then I'll tell you just what I would say

Refrão: Em D G C D D

If I could be with you tonight
I would sing you to sleep
Never let them take the light behind your eyes
I'll fail and lose this fight
Never fade in the dark
Just remember you will always burn as bright
The light behind your eyes

Sometimes we must grow stronger and

You can't be stronger in the dark
When I'm here no longer, you must be stronger, and if i..

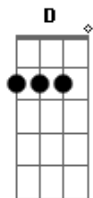

Mesmos acordes: Em D G C D D...

Could be with you tonight
I would sing you to sleep
Never let them take the light behind your eyes
I failed and lost this fight
Never fade in the dark
Just remember you will always burn as bright

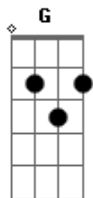

The light behind your eyes
