

My Chemical Romance - The Only Hope For Me Is You

Tom: **Gb**

(com acordes na forma de **E**)
Capostrate na 2ª casa
(intro 3x)

E
Remember me
Am
Remember me

(verso 1)

E
Where

Where will you stand
When all the lights go out
Across these city streets?

Where were you when
All of the embers fell

I still remember
E
There

Covered in ash
Covered in glass

Covered in all my friends I
Am
Still

Think of the bombs they built

(refrão)

If there's a person I could be

Then I'd be
Dbm **Abm**
another memory

Can I be the only hope for you

Because you're the only hope for me

And if we can find where we belong

We'll have to make it on our own

Face all the pain and take it on

Because the only hope for me is you alone

(verso 2)

How would you be
Many years after the disasters that we've seen

What have we learnt

Of other people burn in pure and fire flame

I'll say it's okay

I know you can tell

Although you can see me smile

I still

Think of the guns they sell

(refrão)

If there's a person I could be

Then I'd be
Dbm **Abm**
another memory

Can I be the only hope for you

Because you're the only hope for me

And if we can find where we belong

We'll have to make it on our own

Face all the pain and take it on

Because the only hope for me is you alone

(ponte) **B** **Am** **Dbm** **B** **Ebm**

The only hope for me

The only hope for me is you

The only hope for me is you

The only hope for me is you

The only hope for me is you

The only hope for me

(refrão)

If there's a person I could be

Then I'd be
Dbm **Abm**
another memory

Can I be the only hope for you

Because you're the only hope for me

And if we can find where we belong

We'll have to make it on our own

Face all the pain and take it on

Because the only hope for me is you alone

The only hope for me is you

The only hope for me is you
