

# My Chemical Romance - The Sharpest Lives

Tom: G

Well it rains and it pours when you're out on your own  
 If I crash on the couch can I sleep in my clothes?  
 'Cause I've spent the night dancing I'm drunk, I suppose  
 If it looks like I'm laughing I'm really just asking to leave.  
 This alone, you're in time for the show  
 You're the one that I need, I'm the one that you loathe  
 You can watch me corrode like a beast in repose  
 'Cause I love all the poison away with the boys in the band.  
 I've really been on a bender and it shows,  
 so why don't you blow me a kiss before she goes?

Give me a shot to remember  
 and you can take all the pain away from me  
 A kiss and I will surrender  
 the sharpest lives are the deadliest to lead  
 A light to burn all the empires  
 so bright the sun is ashamed to rise and be  
 In love with all of these vampires  
 so you can leave like the sane abandoned me

There's a place in the dark where the animals go  
 you can take off your skin in the cannibal glow  
 Juliet loves the beat and the lust it commands

Drop the dagger and lather the blood on your hands, romeo  
 I've really been on a bender and it shows,  
 so why don't you blow me a kiss before she goes?  
 Give me a shot to remember  
 and you can take all the pain away from me  
 A kiss and I will surrender  
 the sharpest lives are the deadliest to lead  
 A light to burn all the empires  
 so bright the sun is ashamed to rise and be  
 In love with all of these vampires
